PRODUCT & 2026 PRICING MANUAL

ABOUT US

KELINO is a manufacturer of electrical switches and accessories, focused on delivering products that are practical, reliable, and made for everyday use.

With over 15+ years of experience, we have grown by understanding real market needs and continuously improving our products. Our approach is straightforward – no over-promises, just products that perform well and are easy to work with for electricians, dealers, and end users.

OUR COMMITMENT TO QUALITY

At KELINO, quality is not just a standard – it is a promise.
We believe quality doesn't need to be complicated.

Our focus is on using the right materials, maintaining good finishing, and ensuring consistent performance. Each product is designed to handle regular usage smoothly and fit easily into standard installations.

OUR TEAM

Behind KELINO is a team with strong practical experience and market understanding. From design to production, the focus remains on creating products that are not just visually appealing but also genuinely useful in everyday applications.

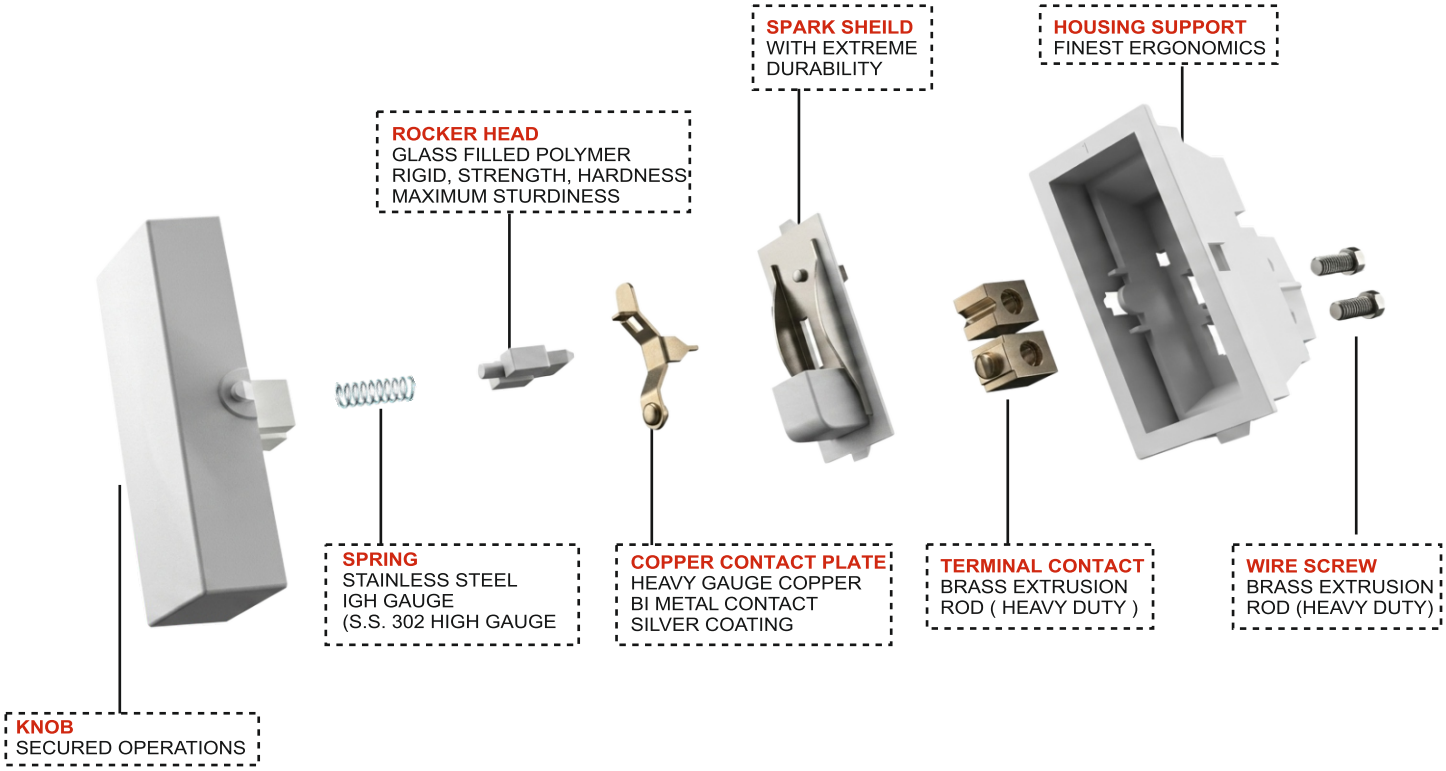

SERVICE & SUPPORT

We believe in building long-term relationships with our dealers and partners. Clear communication, reliable support, and easy coordination are at the core of how we work.

OUR GOAL

To provide products that people can use with confidence – without second thoughts.

- Sleekest frame in the world
- FR Polycarbonate with UV rays stabilized (Prevents Yellowness)
- Direct top easy wiring (Electrician Friendly)
- IS - 3854 Standards / ISO/IEC 17025:2017 ACCREDITED LAB
- Tested for 2 Lakhs operations with silver bimetal contact
- Special steel springs for consistent pressure
- Spark sheild in switches

Spark sheild in switches

FR Polycarbonate with UV rays stabilized (Prevents Yellowness)

IS - 3854 Standards

Special steel springs for consistent pressure

Quality Policy At Kelino Is To Meet Or Exceed The Life Of The Application Product & After Sales Service Needs Of Our Customers Through Continuous Improvement Of The Effectiveness Of All Our Business Processes. !!
